

Features and Benefits

- Creates free-form island ceilings or fascias with USG tile and grid to define space and provide visual impact.
- Available in six trim heights: 2-1/4", 4", 6", 8", 10" and 12".
- Costs a fraction of conventional drywall soffit construction.
- Made-to-order—arrives onsite pre-engineered.
- Strong, durable, and long-lasting steel or aluminum construction.
- Precision engineering guaranteed to fit all USG ceiling systems.

Applications

- Contemporary offices
- Entertainment
- Gaming
- High-bay areas
- Retail spaces
- Virtually anywhere
