

## Features and Benefits

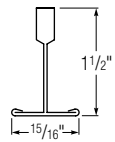

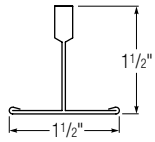

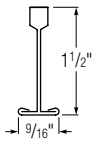

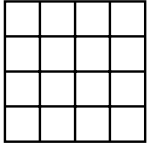

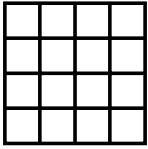

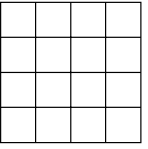

- Open-cell suspension system painted 360° in Standard Colors, Advantage Colors and custom colors.
- Main tees punched with only the necessary cross tee holes to create a clean look.
- Available in three standard grid profiles, 9/16", 15/16", and 1-1/2" that can be mixed and matched to create unique designs. All tee heights 1-1/2"
- Simple system readily accommodates standard 2' x 4' or 2' x 2' lay-in light fixtures and air diffusers.

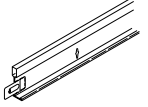

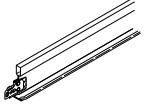

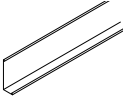

## Applications

- Accent areas
- Hospitality
- Retail spaces
